Like all Easylink services this is a door to door service picking you up from home and returning you to your door. This service is for people, including wheelchair users, who find it difficult or impossible to use the normal bus service, from the Woodingdean, Ovingdean, Rottingdean and Saltdean areas.

We will be going to shops and for trips out in the Brighton and Hove area. This service is funded and supported by Brighton and Hove City Council. Buses will run twice a month, usually on a Thursday or Friday. You can take a carer or essential companion with you.
