Easylink is a door-to-door transport service for people, including wheelchair users, who find it difficult or impossible to get on and off buses, or to get to the bus stop.

Most Easylink services in Brighton and Hove are run by Community Transport on behalf of Brighton & Hove City Council.

Brighton & Hove Easylink

Easylink buses serve all parts of Brighton and Hove from Portslade to Saltdean. They provide a service on Mondays to Fridays to and from superstores, the city centre and local shops. The return fare from your home to the shops and back is £3.50.

The service will pick you up from home and return you back when you have finished your shopping.

Who can use Easylink?
